ELIGIBILITY CONDITIONS AND REQUIREMENTS

Survey and Certification Education Program

The State has in effect the following survey and certification periodic educational program for the staff and residents (and their representatives) of nursing facilities in order to present current regulations, procedures, and policies.

The state agency participates with the major provider associations in conducting workshops and information sessions at several locations (usually 6) around the state. These sessions offer the providers, resident representatives, and advocates the opportunity to receive up to date information on regulations, survey criteria, and policies. The participation by providers and resident representatives produces a valuable exchange of ideas and perspectives.
